## 2<sup>nd</sup> ASIA URBAN ENERGY ASSEMBLY

31 August - 1 September 2023, Queen Sirikit National Convention Center  
Bangkok, Thailand

### Day 1, 31 August 2023

#### Registration and Networking

Time	Activity
08:30-09:00	Registration and Networking

#### Session 1: Plenary Session – Supporting the Energy Transition in the Asia-Pacific

**Moderators:** Asia Pacific Urban Energy Association (APUEA)

Time	Activity
------	----------

09:00-12:15	<p>This session aims to set the scene for the 2nd edition of the Asia Urban Energy Assembly by providing an outlook and the latest status updates on the energy transition globally and in the Asia-Pacific region.</p>
-------------	---

The session will include international speakers from public and private sectors to give insights on challenges and opportunities that exist today to meet climate targets by the midcentury.

The session is expected to be divided in multiple panels, starting from a broad sustainable energy aspect, and narrow down towards specific energy schemes, covering institutions and stakeholders, development, financing, implementation and management.
