

International ENERGY STORAGE FORUM

Co-located with:
TESTA Symposium

TECHNOLOGY ADVANCEMENT TOWARDS BATTERY SAFETY

**Technology
Advancement Towards
Battery Safety:
An Overview**

**Assoc. Dr. Yossapong
Laonual**
Head of Research Center
Mobility & Vehicle
Technology Research
Center (MOVE)

Welcoming Session

Dr. Pimpa Limthongkul
President, Thailand Energy Storage
Technology Association
(TESTA)

**Designing for a Safe
Deployment of Stationary
Energy Storage System**

Mr. Kasiean Sukemoke
Subcommittee on Drafting
Electrical Installation Standards
for Thailand: Solar Power
Generation Systems and
Battery Energy Storage Systems,
Engineering Institute of Thailand

Organised by:
 

Sponsors:
   

4 JULY 2025

○ **08.30 - 16.30 hrs.**

🕒 **Room: MR111**
⚡ **QSNCC, Bangkok**

English 🇬🇧

🎧 **Simultaneous
Interpretation Service**

**Free
Registration**

Mr. Jaturong Molsuwan
Tel : 02-036-0500 Ext.753
E-Mail : Jaturong.m@informa.com

Exclusively at:

ASIA
SUSTAINABLE
ENERGY WEEK

ES
ENERGY STORAGE ASIA

Co-located with:
TESTA Symposium

Organised by:

Sponsors:

TECHNOLOGY ADVANCEMENT TOWARDS **BATTERY SAFETY**

Panel Discussion on "Lithium-Ion Battery Safety: How Prepared Is Thailand?"

Mr. Phairote Janjuea

Director of Planning,
Bangkok Fire and
Rescue Department

Dr. Manop Masomtob

Researcher, National
Energy Technology Center,
National Science and
Technology Development
Agency

Mr. Kasiean Sukemoke

Committee, Thailand Energy
Storage Association

4 JULY
2025

🕒 **08.30 - 16.30 hrs.**

📍 **Room: MR111**
QSNCC, Bangkok

🗣️ **English** 🇬🇧

🎧 **Simultaneous
Interpretation Service**

Mr. Korn Panyakruea

Thailand Industrial
Standard Institute

**Mr. Seree
Gavinratchatarot**

Chairman of the Motor
Insurance Committee,
Thai General Insurance
Association

**Mr. Kitsda
Theerasupaluck**

(Welldone Guarantee)

TECHNOLOGY ADVANCEMENT TOWARDS **BATTERY SAFETY**

**Battery & Energy Storage
Safety Standards and
Regulations in Thailand
and Beyond**

Mr. Wison Soisuk

Director, Battery Electric Vehicle
and Electronic Products Testing
Center Co., Ltd.

**Safety Science Research in
Lithium-ion Batteries**

Dr. Carl Wang

R&D Director, Corporate Fellow,
William Henry Merrill Society
UL Solutions, Taiwan

**Thermal Management
Innovations for BESS:
Balancing Safety and Cost**

Dr. Zhang Yuxi

Team Leader and Product
Manager, Qingan Energy
Storage Technology Co., Ltd,
China

**Safety Screening in
Manufacturing Process**

Dr. Ikwhang Chang

CEO, Mona Co., Ltd.,
Korea
